Sui colori scuri, ombre ed altri difetti minori sono più evidenti rispetto ai colori chiari e sono da ritenersi standard. On dark colors, shadows and other minor faults are more evident than on lighter colors and are therfore standard. Sur les couleurs sombres, les ombres et les autres petits défauts sont plus marqués que sur les couleurs claires et sont tout à fait standards. Auf dunklen Farben sind Schatten und andere kleinere Mängel sichtbarer als auf hellen Farben und sind daher als Standard zu betrachten. Las sombras y demás defectos menores son más evidentes sobre los colores oscuros respecto a los colores claros y tienen que considerarse como estándares. Em cores escuras, sombras e outros defeitos menores são mais evidentes do que em cores claras e devem ser considerados standard.
